CORSA Chapter 532

January 2011

From The Front Seat

by Walt Baranowski
MCC President

HAPPY NEW YEAR!

It seems as though it's been forever since we last met. I hope everyone had a wonderful Christmas and New Year's Eve. 2011 is here and a new President will take over the important job of running the club. Nominations of Officers and Board of Directors are due at the March meeting. Who do you want to lead your Club? It should be an exciting year.

Our 41st Anniversary party will be held on Saturday February 5th at Albanese's Road House. I hope that all of you have sent your reservations to George Vignovich by now. With regard to the dinner, the Board of Directors has approved the awarding three cash prizes at the dinner. This will be in lieu of any silent auction or donated raffle prizes. Every person attending the dinner will receive a ticket for the cash drawing at the end of the dinner. The three prizes will be in the amounts of: \$50, \$75, and \$100. What better incentive to come to the dinner.

Since we have not met for the past two months, our agenda for the January meeting is rather full. Here are some of the items that need to be addressed:

1. Events schedule for 2011
2. Approval of Picnic date at the Reinders' Estate this August 14.
3. Presentation by Curtis Henken regarding the "CORSA Project" he's involved in.
4. Proposed Great Lakes Dragway event.
5. Proposed Volo Museum event.
6. Sweets Auction

As you can see much needs to be acted on, you need to be at the meeting to make your voice heard. If you don't come to the meeting and voice your opinions, you have no room to complain later. See you all at the meeting on the 28th.

January 28 - Monthly Meeting

February 5 - 41st Birthday Celebration

February 25 - Monthly Meeting/Sweets Auction

March 25 - Nomination of Officers and Board of Directors

April 29 - Election of Officers and Board of Directors

Frosty Cold Greetings MCC faithful!

HAPPY NEW YEAR!! I hope all of you are doing well and enjoying these longer daylight hour days. Just think, one more month and pitchers and catchers will be reporting to Spring Training!! Spring is close at hand! Okay so you probably aren't feeling much warmer but hang in there because we are over the hump and it's downhill the rest of the way to spring.

Time to get back to Corvair business and planning the upcoming driving season. Take a look at the great line up of events that Andy Rominiecki has collected to get us all in the mood for "cruising" elsewhere in this issue. Looks like we could have some really fun and interesting events to participate in don't you think? Plus the MCC Anniversary Feb. 5th is upon us to get us warmed up. It will be great to see all of our MCC friends there and enjoy a great dinner with them. I sure hope you have signed up and plan to be there, Janet and I are looking forward to seeing you.

It may be the dead of winter but I have been working in the garage on a limited basis (weekends) on a friend's 1962 Monza 4-Dr. to get it ready and road worthy before the ground hog sees his shadow and predicts an early spring. My best bud Larry Merlet and I are also into a 140 engine rebuild for his '63 Monza convertible to hopefully be installed for spring driving weather. Saturdays and some Sunday afternoons in the garage have been great therapy for breaking up the winter doldrums. If I can just get cable run out there we could have the race or the ball game on as well! I guess that's why they call them "Man Caves".

Yeah I know, I'm in my own little world but its okay, they know me here...

Hey! I'm still a certified "Corvair Nut" and as always *Thanks for your support!* See you on the road (real soon now!)...seeing the USA in our classic Chevrolet Corvairs!!

Aloha!
